# Huntington Camera Club's 21st Annual High School Competition

**Tuesday May 17, 2011  
7: 30 pm  
Huntington Public  
Library**

Huntington Camera Club would like to welcome all entrants, teachers, parents and all other attendees to the 21st Annual High School Competition.

Each year the Camera Club receives generous donations from local businesses and organizations as well as individuals within the community. The Huntington Camera Club then distributes these donations to those high school students who demonstrate a talent for the art of photography.

A panel of judges selected by the Camera Club's Board of Directors reviews all submitted images. Prints were judged for their creativity, technical aspects and ability to fit the theme (category). Because of the large amount of time needed to judge a competition of this nature the judging of all the photographs was done on Wednesday, May 11, 2011. The judges will talk tonight about the winning entries and the honorable mentions.

The Club is proud to welcome Nikon, Inc. back as a major sponsor, their generous donation of equipment, books and photography educational materials makes each winning entry a true award. A Special thank you to all our other corporate donors and are many individual donors especially our own club members who donate both their time and money.
